

## A Prayer for Glorious Certainty

Heavenly Father,

You are in the dark and the light.  
Your strength covers our every  
weakness. When our days turn into  
uncertainty, you promise glorious  
certainty. Today we pray that when  
our life takes a pause, we see you  
in the interruptions and  
redirections that you are lovingly  
leading. We pray that your  
presence surrounds us and leads  
us straight to your arms in an  
embrace of rest and peace. We  
love you and thank you for  
standing by us in every detail of  
our lives.

To you be the praise, honor and  
glory forever and ever! Amen!
